

REDUCE COSTS, IMPROVE PRODUCTIVITY AND PROFITABILITY

**FREE COMPLIMENTARY
ASSESSMENT**

DGI Supply's Needs Assessment is designed to gather information that is appropriate to develop an effective inventory program that will address needs and wants. With DGI Supply's custom-tailored inventory management solution, you can replicate best practices across the entire company which implements lean inventory management efficiently and effectively.

NEEDS ASSESSMENT PROCESS

1.

**UNDERSTAND CUSTOMERS
WORKFLOW**

2.

**REVIEW CURRENT
CUSTOMER PROCESS**

3.

**PROVIDE PROCUREMENT
SOLUTION**

Completing a needs assessment provides you the ability to better bid on customer jobs, understand your real-world workflow, trace back faulty lot-controlled items for recalls, forecast inventory levels based on actual demand, always know your item usage and have a complete inventory control system!

**THINK ABOUT WHAT DGI SUPPLY CAN DO FOR YOUR COMPANY IF YOU
IMPLEMENT JUST ONE FEATURE OF OUR **INVENTORY MANAGEMENT SYSTEM.****
