Section 179 of the IRS tax code allows businesses to deduct the full purchase price of qualifying new equipment and/or software purchased during the tax year.

To take the deduction for tax year 2025, the equipment must be purchased and put into service by December 31, 2025.

100% BONUS DEPRECIATION

In addition to the $2,500,000 write-off, 100% Bonus Depreciation has been reinstated for qualifying new equipment purchased and placed in service by December 31, 2025. Depreciation is generally taken after the Section 179 Spending Cap is reached. The Bonus Depreciation is available for new equipment.
