VALUE ADDED SUPPORT SERVICES, TRAINING AND RESOURCES

DGI Supply partners with the top manufacturers in the industry to provide value-added services and superior benefits. We coordinate training and surveys for fall protection, hand protection, respiratory protection, hearing protection, welding safety, chemical, lifting and many other products. DGI Supply believes in providing customers with product and service that drives exceptional performance for your business making you more productive and more profitable!

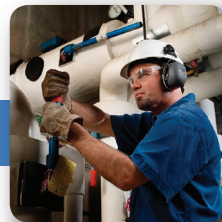

Hand Protection

- Complete facility evaluation
- Samples for testing

Respiratory Protection

- Program setup help
- Fit test training
- On-site training and evaluations

Hearing Protection

- Conservation seminars
- Educational Webinars/Apps
- Validation systems
- On-site training and evaluation

Eye Protection

- Safety Shower/Eyewash Station site survey
- Safety Shower/Eyewash proper care and maintenance
- Eye hazard assessments
- Eye wear fit testing

Welding Safety

- Welding hazard seminars
- On-site facility hazard assessment

Chemical

- Safety Apps
- Chemical Resistance Guides
- Productivity Improvement Solutions
- Chemical Management Seminars

Facility Maintenance

- Spill Control/Response Training
- SPCC Compliance Audit
- Sign and Labeling facility evaluation

Air/Power Tool & Abrasive Safety

- Site safety survey
- Safety demonstrations on proper tool usage
- Productivity Improvement Solutions

In a busy manufacturing environment you need to access your tools easily. With over 20 years of industrial vending experience DGI Supply's Machining Solutions & APS Services are designed to help grow your business and be a more sustainable company without disrupting current production. We help improve your business through inventory management, vending solutions, e-commerce solutions and more! Visit us online at <https://www.dgisupply.com/services/automated-procurement-solutions> today!

Inventory Management

- Provide a streamlined process for controlling the flow and maintenance of inventory.
- Reliable data intelligence.
- Automated Ordering and Reporting.
- Reduce Stock outs and more.

Industrial Vending

- Customized vending devices.
- Dispense boxes, PPE packages and more!
- Automated Inventory Tracking system capabilities for cutting tools, fasteners, shop supplies and PPE.
- Increased Productivity and Cost Reduction.

Process and Operation Improvement

- Manage what products employees access.
- Dispense correct package quantity eliminating waste.
- Improving process integrity, by insuring the correct tool for the job.
- Set product consumption limits by employee, shift or job.

E-Commerce Solution

- Simplify your purchasing life with the DGI Supply's PunchOut catalog.
- Custom Web Shop solution features custom catalogs and on-line web stores based on your frequently used items.

DGI Supply Technical Solution Services

- Provide expertise on a wide variety of application issues.
- Process and Programming Improvements.
- Full Tool Selection.
- Provide Turn-key solutions that are guaranteed to work!
